

PH Snowball

The fixture emits comfortable glare-free diffuse light. Matt painted undersurfaces and glossy top surfaces result in an attractive reflection of the diffused light, creating uniform light distribution around the fixture. When the light is switched on, the top portion is illuminated while the bottom part remains dark.

Poul Henningsen

Poul Henningsen was born in Copenhagen by the famous Danish writer Agnes Henningsen. He never graduated as an architect, but studied at The Technical School at Frederiksberg, Denmark from 1911-14, and then at Technical College in Copenhagen from 1914-17.

Product info

Finish

White, wet painted.

Materials

Shades: Spun aluminium. Frame: High lustre chrome plated, die cast aluminium. Housing: High lustre chrome plated, spun aluminium.

Mounting

Suspension type: Cable 3x0,75mm². Canopy: Yes. Cable length: 3m.

Sizes and weights

Width x Height x Length (mm) | 400 x 390 x 400 Max 4.4 kg

Class

Ingress protection IP20. Electric shock protection I w. ground.

Light source & energy class

A+ - E | 1x70W E27

Product variants

Light source	Colour	Class	Cable type	Lighting control
